

How to find us

From **London** follow the motorway signs **M3 and M27** to **Bournemouth**.

When you have passed the exit to **Ringwood** you will approach a major underpass.

At this underpass continue to follow the signs to **Bournemouth A338** (turning left in the filter lane) **DO NOT GO THROUGH THE UNDERPASS TO POOLE**.

Continue on the dual carriageway straight through several roundabouts (approximately ten miles, passing **Bournemouth Station** and **ASDA** on your left) until the end of the **Wessex Way** which will bring you to the **Liverpool Victoria** roundabout. Then follow map leaving the roundabout **second left** – signposted to **Canford Cliffs**. After driving through Canford Cliffs Village turn right at the mini roundabout, **Compton Acres** will then be on your left.
